SUPPLEMENTAL REISSUE APPLICATION DECLARATION BY THE ASSIGNEE

Commissioner of Patents
and Trademarks
Washington, DC 20231

Reissue Application Declaration By the Assignee

I hereby declare that:

My residence, post office address, and citizenship are stated below next to my name.
I am authorized to act on behalf of the following company: **MTD Products Inc** and the title of my position with said company is: **Vice President of Product Development and Engineering**.

The entire title to the patent identified below is vested in said company, as shown in the Assignment document at Reel 8263, Frame 0374. Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application arose without any deceptive intention on the part of the applicant.

Name of Patentee(s): Michael Kamm
Patent Number: 5,803,847
Date Patent Issued: September 8, 1998

Title of Invention: **A Variable Speed Mechanism and Method for Controlling the Speed of an Associated Lawn Apparatus**

I believe said patentee(s) to be the original, first and sole or joint inventor(s) of the subject matter which is described and claimed in said patent, for which a reissue patent is sought on the invention entitled: **A Variable Speed Mechanism and Method for Controlling the Speed of an Associated Lawn Apparatus** the specification of which

X is attached hereto.

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

 by reason of a defective specification or drawing.

 X by reason of the patentee claiming more or less than he had the right to claim in the patent.

 by reason of other errors.

105020-01E65500

At least one error upon which reissue is based is described as follows:

In light of Jones et al, the issued claims may be broader than the patentee has a right to.

All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant.

I hereby appoint the following attorney(s) and/or agents(s) to prosecute this application and transact all business in the Patent and Trademark Office connected therewith.
